Honorary Treasurer
The Association of Surgeons of India

Its my honor and privilege to be the Honorary Treasurer of ASI.

I am bringing out a report on ASI Treasury and sharing my views as Honorary Treasurer.

My sincere thanks to President Prof. Arvind Kumar and all the esteemed members of Executive Committee 2019-2021 for electing me as Honorary Treasurer and for giving me an opportunity to serve this great organization-ASI.

My special thanks to Honorary Secretary Dr. Sanjay Kumar Jain for his support and guidance all along.

I thank Dr P V Ramana Murthy, Secretary – Headquarters & Dr Shivaram, Secretary – Website for the support and great work.

TRANSPARANCY..... During my tenure as Honorary Treasurer, I have worked with utmost sincerity, honesty and TRANSPARANCY in accounting system. Income and expenditures are made from respective accounts specified for that purpose. ie IJS to IJS , Building Account to Building Works etc.

All transactions are made with cheques after scrutiny.

HANDS FREE work.... Cash was never handled, entire work was scrutinized and signing cheques & papers.

MAJOR ACHIEVEMENT: Three New FD's have opened totaling into a sum of Rs. 1.90 Crore (Rupees One Crore Ninety Lakhs only).

Life Membership - 9.28 Crores, Endowments – 0.79 Lakhs, FAIS – 0.43 Lakhs, General Account – 0.60 Lakhs, Building Account – 0.60 Lakhs, IJS – 0.66 Lakhs, ASI SSS – 2.09 Crores. The available FDs now are 11.80 Crores. (Life membership – 8.93 Crores, Endowments – 0.35 Lakhs, FAIS – 0.39 Lakhs, ASICON 2019 Rs. 0.30 Lakhs, ASI SSS – 1.80 Crores, Building – 0.03 Lakhs)

ASICON 2019 Bhubaneswar also contributed a sum of Rs. 30 lakhs well in advance as per the MOU. Thanks to entire organizing committee and Dr. Sreejoy Patnaik, Organizing Secretary – ASICON 2019.

ASSETS.

Govt of Tamil Nadu has given a piece of land at CHENNAI during 1964 on long lease in heart of city. Our past leaders have constructed **ASI Building (two storied), & big auditorium** of 1500 capacity. We can utilize these premises for our organizational & academic purposes only, not for commercial activities. This team work solved many pending issues of ASI building, streamlined entire working. Now we are able to generate rental income from our auditorium and building which is reflecting in our annual accounts.

INCOME....

1. Our regular Income is by Interest on FDs, Rents on Auditorium for academic meetings, Membership contribution, FAIS contribution, IJS Royalty, ASICON contributions, sale of petty items like ties, members list etc.

EXPENDITURE....

1. Our regular expenses are Staff Salaries, amenities, office & building maintenance, repairs, Land Lease rent, Property, Metro Water Taxes, Contributions to state chapters as per membership, Contribution to IJS printing & postage.. EC Meetings expenses, Official travel of office bearers, Election expenses, Printing & Stationary & Postage & Communications.
2. Legal expenses to fight cases if any against ASI is always an additional burden. This can be avoided by settling the issues in EC, GB Meetings & ASI Grievance Cell, discussing with in the ASI.

With these I have shared my views working as Honorary Treasurer of ASI.

I thank once again to President & Past Presidents, Honorary Secretary, Joint Secretaries and all EC Members for giving me the opportunity to serve this great organization.

Finally I thank office staffs who were readily obliged for my working.

With best wishes and sincere thanks to all the members of ASI....

LONG LIVE ASI....

The FAIS candidates who have attended the FAIS Credentialing Lectures are eligible to receive Fellowship. Failure to appear before the committee would automatically defer the application to the next year.

ASI is 81 years old now with glorious history. Many reputed surgeons, stalwarts of country are members in it with the 25000 odd membership.

FUTURE...

1. We can further strengthen our ASI by increasing Membership, More Academics, Committed EC Members, Honest & Dynamic Office bearers, Litigation free ASI.
2. More assets with which we can help new members & young surgeons to improve academically.
3. Participate in social service activities, spending on free services to poor, helping the Nation in un wanted disasters & natural calamities.
4. The expenditure can be lessened further if we are litigation free, get sponsorships for meeting expenses, IJS on online, transparency & accountability in working.

7. Any other matter with permission of the chair:

Dr. Sandeep Kumar Chief editor of IJS spoke to the house that he was little away from ASI for some time but now he will be working for betterment of IJS along with his editorial board. Director Academic Council Dr. Santhosh John Abraham discussed about restructuring the ASICON program by first to cut short by one day to make it three and half or four day program, house agreed to make it four day. He also said that the PG master classes may be planned on the first day instead of workshop. This is based on the decision of both EC and GB to do away with live operating workshop and have Video based workshop, in tune with MCI recommendations, The house welcomed his suggestion but stressed that unedited videos should be shown so the viewer can also feel the difficulty and complications associated. The extra hours gained from the conference by withdrawing the PG master class can be used for videos which should be judiciously clubbed with lectures to make it attractive and comprehensive. The house approved the proposal.

He also pointed out that in IJS only half the posts in the board have been elected. The President initiated the discussion on this and the EC decided to fill the rest of the vacant posts for 3 years by nominating the person/s who got next highest votes in the elections. This is a one-time requirement to have half the posts in IJS retiring every three years to let there be continuity.

Dr. Kaushik Shah and Dr. Shalabh Gupta informed the house that the ASI SSS membership has reached 700 and they requested that all new EC members who are not still the members of the scheme to join soon and encourage their friends and fellow surgeons to join too.

President informed that it is important to have nationwide communication channel. The present EC WA group is called Changemakers. He requested each EC member to have a State Changemaker group by taking three or four prominent and active persons from each district of their state and request these three-four persons to have all members in their district as District Changemaker WA group. This way, the communication flows from **Changemaker to State changemaker** to district change maker. The same channel will be used for reverse flow of information, feedback or suggestions etc.

Dr. Santhosh John Abraham said that the faculty invited for the ASICON has to register for the conference and that they may be given the chance to get registered at the initial rate and house agreed to this proposal.

With no other matter in pending, Hon. Secretary Dr. Sanjay Kumar Jain proposed vote of thanks to all the members.

The meeting was adjourned after the Nation Anthem.

Report of the Venue Inspection Committee - Dr SK Misra

Speaking on behalf of Venue Inspection Committee, Dr. Shiva K Misra pointed out that Guwahati was not suitable to host ASICON 2020. He explained to EC members the various reasons as to why Guwahati is not suitable to host our flagship annual Conference. He said that the precise Venue in Guwahati proposed and presented by Dr. Manoj Chaudhury at GBM during ASICON 2018 in Chennai was changed by Organisers. Furthermore, the new proposed venue shown to Venue Inspection Committee was also found not suitable to conduct a large Conference. In addition, there are concerning issues relating to potential for significant traffic congestion, with thousands of cars coming into Guwahati during that time with limited narrow roads to accommodate this huge surge of traffic. And to top it all, there is simply not enough accommodation available in Guwahati to host members and their accompanying persons at ASICON. There was no major Medical Conference held in Guwahati in recent years, and whatever Medical Meeting that was held several years ago in the City, left a lot to be desired.

Dr. Manoj Choudhary was given an opportunity to present about ASICON 2020. He proposed details relating to a third venue (First venue submitted at GBM 2018 changed by Organisers; Second venue found unsuitable by Venue Inspection Committee), which is the site for IAGES Annual conference for 2020, that accommodates at best 1500 people with great difficulty.

House discussed the matter in great detail with inputs from Organising Secretaries of recently held ASICONs, expressing serious reservations about hosting ASICON at Guwahati. The explanations made by Dr. Manoj Choudhary to various questions & comments made by various EC members, were found not satisfactory. Hence, the House unanimously decided to cancel Guwahati as Venue for ASICON 2020 and search for an alternate venue to host ASICON 2020. As Maharashtra State Chapter of ASI, which put forward the bid along with Assam Chapter to host ASICON 2020, was not prepared to host the Conference, the President requested EC members to coordinate with State Chapter Executives and those interested in hosting ASICON 2020 were asked to submit the proposals to ASI Office within one week by Thursday, 19 September 2019 (the following Thursday after the EC Meeting). However, the President made it clear that the final decision about the ASICON 2020 would be taken during the Annual GBM at ASICON 2019 in Bhubaneswar.

Formulate ASICON Bids –

To avoid catastrophe on conduct of ASICON like Chennai and Guwahati, the house proposed to devise a mechanism to Formulate ASICON Bids.

Legal matters – Dr. Shiva K. Misra

Dr. Shiva K. Misra briefed about the cases still pending at various courts across the country.

INDEPENDENT AUDITOR'S REPORT

To the Members of The Association of Surgeons of India

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Association of Surgeons of India (Head Quarters only), ("The Society") which comprise the Balance Sheet as at March 31, 2019, the Statement of Income and Expenditure and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements prepared in all material respects give a true and fair view of the financial position of the society as at March 31, 2019, its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the society in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management Committee of the Society is responsible for the preparation and fair presentation of these financial statements in accordance with the Tamil Nadu Registration of Societies Act, 1975; aforesaid Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.

The Management Committee of the Society is responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matters

The Society has authorized a large number of Chapters and Sections in India. The Society has represented to us that their accounts are not required to be consolidated.

Our opinion on the financial statements and Regulatory Requirements below, is not modified in respect of the above matters.

Report on Other Regulatory Requirements

Further, we report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Society so far as it appears from our examination of those books.
- c) The Society's Balance Sheet, Statement of Income and Expenditure are dealt with by this Report are in agreement with the books of account.
- d) In our opinion and to the best of our information and according to the explanations give to us, the Financial Statements gives the information required by Tamil Nadu Registration of Societies Act 1975 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India.
 - i. In the case of Balance Sheet of the state of affairs of the Association of General Fund, Auditorium and Building Fund and Indian Journal of Surgeons respectively of the Head Quarters as on 31st March 2019.
