WELCOME MESSAGE

We take this opportunity to welcome you all to the cultural city of Mysore to participate in the KSC-ASI MIDCON 2018, 1st Annual mid Conference of the Karnataka State Chapter of Association of Surgeons of India. The conference is being held with an intention to enable the surgeons and post graduates in surgical faculty to have an opportunity to present their research works in MIDCON. There will be scientific programs arranged for the surgical faculty and post graduates to refresh their surgical knowledge and be able to know problem solving updates on the common as well as interesting topics. Experienced speakers from different parts of Karnataka as faculty will be sharing their knowledge with us. We invite all practising surgeons, academicians and surgeons-in-training to actively participate in this mid conference, take part in all the deliberations and also to present their Research work in surgery. The experience will enrich each one of us attending the conference. The organisers are working hard to ensure you the best of academics. We await you for this academic bonanza.

AUGUST 25TH & 26TH 2018, BE THERE!

Looking forward to meet you all.
