2018

Regional Refresher Course - ASI

Dear Colleagues and Postgraduate students,

The Association of Surgeons of India is taking earnest effort to bring the advancing knowledge in the field of surgery to its members and postgraduate students. The Zonal refresher courses are designed in a fashion which will be most useful to all the people in surgery regardless of their experience.

We are delighted to present details relating to the Regional Refresher Course being held in Andhra Pradesh under the auspices of The Association of Surgeons of India in partnership with The Royal College of Surgeons of Edinburgh, which is the oldest Surgical College in the World. The aim of this Course is to prepare surgical trainees preparing for the MS/DNB/Intercollegiate MRCS examinations.

All the Postgraduates attending the meeting will have an exposure to surgical teachers through clinical case discussions and the questions and answers discussed during the presentation by the senior examiners will certainly help them facing the examinations in a better way. A limited number of postgraduates on a first come first served basis will get an opportunity for hands on training on suturing techniques, endotrainers and staplers.

There will be a simultaneous learning assessment programme before the credentialing of the Fellowship of ASI for its qualified members. This is mandatory for those who are desirous of being admitted to FAIS and is also open for all who additionally will register for this.

The Organising Committee is extending a warm welcome to all.

Team Vijayawada

Hosted by ASI - AP Chapter

2018

Regional Refresher Course - ASI
