Regional Refresher Course - ASI

Dear Colleagues and Postgraduate students,

The Association of Surgeons of India is keen to bring the rapidly advancing knowledge in the field of Surgery to its members and postgraduate students. The Regional Refresher Courses are designed to suite all Surgeons regardless of their experience.

RRC is a process of sharing the wisdom of Seniors through a medium of clinical case discussions to each one of the delegates. The presence of seasoned examiners as faculty will give the feel of MS/DNB exit examination. The deliberations are taken often beyond the clinical examinations to recent trends in the management of all diseases and hence become attractive to every surgeon.

Please register early to help the organisers serve you better.

Fill up the registration form in full including UTR number in NEFT transfer / IMAP number in bank transfer, get a photograph of the form and send that as attachment to the mail ID provided.

On Friday from lunchtime, onwards we will also have a workshop with hands on training in the basic surgical skills namely Suturing & Knotting / Endotrainers / Anastomosis & Staplers. This is OPEN ONLY to first 75 registrations.

This will have a separate registration fee. (see the last page of this brochure).

The Organising Committee is extending a warm welcome to all of you for this academic extravaganza.
