

Regional Refresher Course – ASI

Hyderabad

In association with
The Royal College of Surgeons of England
2017- July 7, 8 & 9

Venue: Auditorium, Gandhi Medical College,
Secunderabad, Hyderabad-500017

Dear Colleagues and Postgraduate students,

The Association of Surgeons of India is taking earnest effort to bring the advancing knowledge in the field of surgery to its members and postgraduate students. The regional refresher courses are designed in a fashion which will be most useful to all the people in surgery regardless of their experience.

All the Postgraduates attending the meeting will have an exposure to seasoned teachers through clinical case discussions and the questions and answers discussed during the presentation by the senior examiners will certainly help them facing the examinations in a better way. A limited number of postgraduates on a first come first served basis will get an opportunity for hands on training on suturing techniques, endotainers and staplers.

There will be a simultaneous learning and assessment programme as part of the credentialing for the Fellowship of ASI for its qualified members. This is mandatory for those who are desirous of being admitted to FAIS and is also open for all who additionally will register for this.

The Organising Committee is extending a warm welcome to all of you for this academic extravaganza.

Team Hyderabad
