# INDORE

is centrally located, commercial capital of central India. The city fits best for living and business, as it offers moderate and pleasant climate. It brings together the footmarks of the royal dynasty and the pace of growing business. In medical facilities also, Indore crosses the set benchmark by offering world-class medical facilities. Apart from Medical and Economical growth, the city is witnessing significant rise in number of good hotels, Residential Centers, Multiplexes, Clubs, Theatres, Sports Clubs, and Shopping Malls.

Indore is going through a high Information Technology growth. IT majors like TCS and Infosys have made their entry in the city, making a remarkable betterment in employment opportunities and Lifestyle. In addition to being the 'soyabean' capital of the country, the city is going through a rapid growth stage and hence, it offers new opportunities and improved living and educational standards. Indore is also an educational hub of central India with number of prominent Medical/ Engineering/ Management colleges and English medium schools & having more than 60 reputed Engineering Colleges with regular IT, Computer Science, Computer Technology, Communications Engineering and other branches. CAT, Indore - the Center for Advanced Technology is present. People here are warm, have professional approach and positive attitude. Indore has Excellent connectivity with all parts of country & abroad through Air, Rail & Road.
