

3rd Annual Conference of Puducherry Chapter Association of Surgeons of India

3rd,4th December 2022 Venue : Indira Gandhi Government General Hospital and Postgraduate Institute, Puducherry

Dear Surgeons

We are extremely elated and proud to announce the 3rd edition of the Annual Conference of Puducherry State Chapter ASI. This year we are back again with a refreshing set of scientific program, at the same time retaining the success elements and all ingredients of a state conference like last year. The scientific program has been planned in such a way that the topic discussed will be of immense use for all Surgeons including Surgical trainees in their day-to-day case management.

We hope to receive the same support and participation from all of you like last year for making this event a yet another successful scientific celebration.

Warm wishes
