Regional Refresher Course - ASI

My dear friends and Post Graduate students,

Association of Ahmedabad Surgeons (AAS), along with B. J. Medical College, is proud to announce "Regional Refresher Course" of Association of Surgeons of India (ASI) for the West Zone. This event comes hand-in-hand with our annual CSE convention of JBH 2018 built around the theme "BACK TO COLLEGE." AAS with full support from parent organizations Gujarat state surgeons Association (GSSA) & Gujarat State Chapter of Association of Surgeons India (GSC – ASI) welcomes you all.

It provides the PG students with a blend of unique experience and exposure to a large number of clinical cases, a variety of senior teachers and their invaluable expertise. It also gives them an insight into Practical examination.

My dear Consultant friends, its an opportunity to greet old amigos and take a day off from our hectic life and successful surgical practice. So let's come together and use this chance to shatter all the myths and misconceptions which we may have amassed over the years of practice but might have been overlooked. We take a lot of pride in the successful operations we conduct, but often miss the minute details; an enigma that might leave us captivated.

This is an academic feast served on your platter with a lot of case presentations and in-depth discussion regarding their investigations and treatment.

Over and above this we have a half day skill course & hands on training program over topics like stapplers and bowel anastomoses. Simultaneously with this is the certification course of FAIS conducted by ASI.

So much to offer.....

The best are here, so where are you?
