Opinion

We have audited the accompanying financial statements of The Association of Surgeons of India (Head Quarters only), ("The Society") which comprise the Balance Sheet as at March 31, 2021, the Statement of Income and Expenditure and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements prepared in all material respects give a true and fair view of the financial position of the society as at March 31, 2021, its financial performance for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the society in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management Committee of the Society is responsible for the preparation and fair presentation of these financial statements in accordance with the Tamil Nadu Registration of Societies Act, 1975; aforesaid Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the society or to cease operations, or has no realistic alternative but to do so.

The Management Committee of the Society is responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Emphasis of Matter

We draw attention to Notes to accounts on the point (Refer Note No. 7 of General Account, Note No.4 of Auditorium Building account and Note No.2 of Indian Journal of Surgery Account) estimation of uncertainties relating to the global health pandemic from COVID-19 which explains the extent to which COVID-19 pandemic will impact the Association's operations and financial results which are dependent on uncertain future developments. Our opinion is not modified in respect of this matter.

Other Matters

The Society has authorized a large number of Chapters and Sections in India. The Society has represented to us that their accounts are not required to be consolidated.

Further, due to the COVID-19 related lockdowns, we undertook online verification of the documents / records / statements on the basis of the assurance given by the management about the accuracy and authenticity of the same. We have performed alternate procedures of audit as per the guidance provided in SA 501 "Audit Evidence-Specific Considerations for selected Items" and have obtained sufficient appropriate audit evidence.

Our opinion on the financial statements and Regulatory Requirements below, is not modified in respect of the above matters.

Report on Other Regulatory Requirements

Further, we report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Society so far as it appears from our examination of those books.
- c) The Society's Balance Sheet, Statement of Income and Expenditure are dealt with by this Report are in agreement with the books of account.
- d) In our opinion and to the best of our information and according to the explanations give to us, the Financial Statements gives the information required by Tamil Nadu Registration of Societies Act 1975 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India.
