

Bio data of Dr Sunil Kumar

I am the Hon Professor and former HOD Surgery in Tata Main Hospital, Jamshedpur. For more than 20 years of association with Tata Main Hospital initially as Unit Head and later as HOD Surgery, my team has taken DNB teaching programme in Surgery to national level for which I was given the best teacher award for medical excellence by NBE and awarded by honourable Vice President of India in Delhi in 2018. I established vibrant surgical department in TMH, Jamshedpur and training and teaching young surgeons and postgraduate has been my passion.

On ASI front I was secretary of Jharkhand ASI in 2003, Working Chairman of Jharkhand ASI in 2007. This is my 2nd term of EC of ASI (2019-21 and now 2022-24).I was also the ASI overseas coordinator for one year in 2022.

I spent close to 10 years in UK working in NHS from 1993 to 2002. I am the only Indian and overseas who was elected to council of Royal College of Surgeons of Edinburgh three times (two one year term and one full term of five years from 2016 to 2021). I also served in various committees of RCSEd and presently advisor of FST (Fellows of Surgical trainers). During my stay in UK I was the chairman of BMA, Yorkshire division, Overseas representative to BASO and also secretary of Overseas Doctor Association (now BIDA) of Yorkshire.

In Jamshedpur I have been instrumental in organizing successfully more than 15 surgical conference and teaching programme of national and international level either as organizing secretary or as organizing chairman. I am the regular invited national faculty in most of the national surgical conference.

I have been the regular Postgraduate Examiner in Surgery in India, Examiner in Surgery for Royal College of Surgeons of Edinburgh and England since 2003. I have had the opportunity to interact with postgraduates, young surgeon from all over India and fully aware about their professional need.

I feel that I am suitable for this prestigious post of ASI Vice President and later President and given opportunity and your blessings, I would do my best to serve ASI and surgeons to the best of my capability.
