

Dr.G.SIDDESH,M.S.,

ENDOSCOPIST,LAPAROSCOPIC SURGEON & MEDICAL DIRECTOR, SIGMA HOSPITAL MYSURU+ 91 9845121435

OVERALL EXPERIENCE

I have spent 35+ years in healthcare as a surgeon and an academician. I am a People Leader who works with an aim to make an impact on society through healthcare and education. I started my career as a surgeon at JSSMC, Mysuru where I could perform with the best of my skills and headed the Dept. of surgery that gave me an opportunity to guide and mentor many under graduate and post graduate students to become successful surgeons under my capacity as the Dean of Faculty of PG Studies. My pursuit of excellence and innovation prompted me to pioneer laparoscopic surgeries and endoscopic procedures in the city of Mysuru.

MY WORK AT ASI

- I am currently the National EC member for second term. I am presently instrumental in starting unique Covid care 'hybrid' modules in which private hospitals have collaborated with the district administration and are running successfully.
- In 2018 – I spearheaded first ever- MIDCON of KSC-ASI at Mysuru offering an academic bonanza. I am proud to have jointly headed the 'Flagship Programme' of ASI- 'The National Skill Enhancement Programme'.
- In 2016 – Conflict management to overcome adversary that helped bring back ASIs symphony. I also successfully conducted ASICON-16 at Mysuru. This conference set new gold standards for future conferences in many aspects. We saved a huge sum of over Rs.2 Crores. I served as Secretary and then as the Chairman of ASI, Karnataka State chapter. During this tenure I conducted three state level conferences, each was considered as a land mark.

MY VISION FOR ASI

1. To project ASI as a premier body of repute, internationally recognized as being representative of leading minds by focusing on evidenced based surgical practices. 2. Go 'Glo-cal' – to make the best 'global' practices and reach 'local' surgical fraternity. To ensure that the latest knowledge is not confined to academics and administration by reaching out to remote areas of the country. 3. To build path breaking research capability and to access channels that aid in publishing our seminal work through online platforms that can also bring transparency. 4. To design a learning platform that continually helps the young surgeons to adapt to new surgical innovations and entrepreneurship competencies. 5. To recognize your contribution and respect your commitment. To bring more legitimacy by renovation of our Chennai HQ.

I hereby declare that the information given in this application is true and correct to the best of my knowledge and belief. I promise my best efforts to the greater cause of our beloved ASI.
