Welcome Message

Get ready for the most groundbreaking surgical conference of the year - SURGICON 2023! From November 17th to 19th, at the prestigious Indraprastha Apollo Hospital on day 1 for live workshop and CSOI on day 2 and 3. We are taking surgery education to a whole new level.

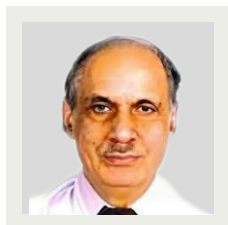

***Day 1** will astound you with a live operating workshop showcasing a series of basic to advanced surgeries. No more juggling multiple screens - witness each procedure unfold step by step! One surgery at a time.*

***Day 2** is dedicated to two captivating themes: AWR surgery in the first half and Bariatric Surgery in the second. Discover cutting-edge concepts and ingenious ways to minimize complications.*

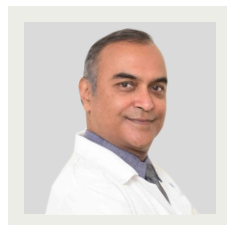

But that's not all! Day 3 brings the future of surgery to your doorstep. Immerse yourself in the world of Robotic Surgery, elevate your skills in the ASI session, and benefit from exclusive Training sessions in the second half.

Whether you're a seasoned surgeon or just starting your journey, our thoughtfully crafted program caters to all levels of expertise. We anticipate a vibrant turnout with delegates flying in from all corners of the world.

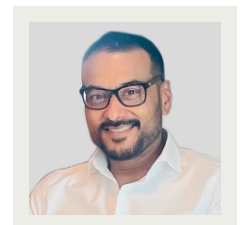

Get ready to be thrilled, enlightened, and amazed as we welcome you with open arms to SURGICON 2023 - an event like no other!
